

An Early Holiday Gift from the Library

The Trumbull Library Board of Trustees has voted to eliminate the one dollar DVD rental fee. The decision, effective Friday, December 1st, comes after the recommendation from the Library Director, Stefan Lyhne-Nielsen. Mr. Lyhne-Nielsen, along with library staff, carefully evaluated current DVD circulation statistics, funding structures, and future collection development needs with respect to accessibility and equity for all Trumbull residents.

“We hope the removal of the rental fee will be a welcome change leading to an increase in the usage of the collection once again,” said Mr. Lyhne-Nielsen. He added, “Please do not forget that there will still be a dollar per day fine for overdue DVDs so remember to return your material on time.”
