

Fairchild-Nichols Memorial Library

Application for Association Membership

Organized in 1921, The Fairchild-Nichols Memorial Library Association is a group of ten Nichols residents who are charged with managing the money disbursed by the Fairchild Trust. As owner of the property on Huntington Tpke., the Association maintains/improves the building, plus contributes funds for books, programming and special events, among other things.

What we don't do is 'run' the library. Day-to-day management and all policies are determined by the Trumbull Library System.

From time to time we have an opening on the Association. If you would like to be considered for future membership, please use this form to provide information about yourself. The following information will be shared, and used to determine if your skills fit the needs we have at the time.
